dated 29--7--1952.

G.O.No.3630, L.A., dated 1--12--1942.
" 1694, " " 10--5--1943.

The rules framed under the Indian Tolls Act, 1851, as amended, regarding the method of collection of tolls levied in respect of roads or bridges and issued in the notification appended to G.O.No.3630, L.A. dated the 1st December 1942, do not provide for the tolls being collected departmentally without first auctioning the right to collect them. The Government consider that in an emergency the Collector of a revenue district or any other officer should be authorised to collect tolls departmentally pending the sale of right of collection of tolls in order to facilitate the levy from the date of opening of a road or bridge. It is therefore proposed to make certain amendments to the rules referred to above.

3. The Senior Translator to Government is requested to have the notification translated into Tamil, Telugu, Malayalam, Kannada and Hindustani and to forward ~~sk~~ copies of the translations to the Superintendent, Government Press, for publication in the District Gazettes.
